(5) In the event that the scholarship recipient has to re-register for a particular course, he or she will not be exempted from the tuition fees in the re-enrolled course.

(6) In the case that the scholarship recipient is enrolled in a course other than what is specified in the program of study, he or she will be exempted from the registration fee for that course only when he or she receives advice from the academic advisor to enroll in that course.

(7) The scholarship recipient must work for the faculty or the institute for at least 6 hours per week.

(8) The recipient of this scholarship does not have the right to apply for any other grant of the institution except for thesis publication from the National Budget.

(9) Category 1 education promotion scholarship (good academic performance) and international relations promotion scholarship (full scholarships) recipients will be waived tuition fees according to the program structure plan. However, they must register according to the program structure plan. Exemption from so doing according to the program structure plan must be approved by the Dean of the Faculty of Admission.

4. Conditions for recipients of Category 1 education promotion scholarships (good academic performance) and international relations promotion scholarships (full scholarships).

(1) Scholarship recipients will be funded for personal expenses each semester only when they are enrolled in Semesters 1 and 2 for not less than 9 credits per semester or register in accordance with the program study plan. The summer semester requires enrollment of at least 3 credits for both Master's and Doctoral level students in order for them to be eligible for support.

(2) Scholarship recipients will be exempted from the application fee for the first comprehensive examination only.

(3) Scholarship recipients will pay for the status maintenance fee if their enrollment exceeds the scholarship period.

(4) The scholarship recipients shall pay the fees for thesis format examination/E-THESIS information system service.

(5) The doctoral thesis work must be published or has been accepted for publication in an international journal that has been attended by outside directors (Peer Review) prior to publication. In this regard, international journals must comply with the criteria set forth by the Office of the Civil Service Commission in Higher Education Institutions (OCSC) or the Royal Golden Jubilee Ph.D. Program (RGJPHD), excluding Proceedings.

5. Funding Period (counting from the opening day of the semester that the recipient is registered as a student).

- Doctoral degree programs - recipients will receive a scholarship for a period of 3 academic years.

6. The President shall take charge of this announcement. If there is a problem in the practice or interpretation, let the President be the adjudicator. The decision of the President is deemed final.
